COOK'S DINNER

CHAT · LINGER

An evening among friends and guests without the preparation stress sounds like a relaxed evening, doesn't it? And because the best conversations always happen in the kitchen, you'll start here with a generous drinks reception and matching appetizers. The culinary highlight is the 3-course menu prepared together with the chef, as well as plenty of white and red wine provided for cooking and enjoying. Your evening will be rounded off to a cozy conclusion with coffee and a bottle of digestif right on the table.
