Workshop for homemade organic natural soaps

SOAP WORKSHOP

CREATIVE • WELL-BEING

Guided by our experienced soap maker, you'll delve into the basics of soap making and create your own organic whey liquid soap. Choose from two exclusive scent compositions and experience the magic of natural cosmetics. Meanwhile, there's plenty of time to refresh with a sip of fresh whey and enjoy the scents of nature. At the end of the workshop, you'll proudly take home your handcrafted liquid soap and valuable knowledge about natural and sustainable skincare – because you and your skin deserve it.
